

Support Options & Pricing

At **Carerpreneurs**, support is designed to be **flexible, practical, and realistic** for people balancing caring responsibilities, health, and everyday life.

All options are **non-clinical**, time-limited or optional, and can be accessed at a pace that feels manageable.

Digital Support (Self-Guided)

Digital Resource Bundle

£40 (one-off)

A self-guided collection of practical resources for carers who want to explore self-employment or small home-based business ideas independently.

Includes:

- Business idea exploration workbook
- Self-employment basics (plain English)
- HMRC registration and tax overview
- Simple budgeting and pricing guidance
- Capacity, boundaries, and sustainability prompts
- Clear signposting to further support

Suitable for:

Carers who want flexibility, prefer written resources, or are exploring ideas at an early stage.

Ongoing, Low-Cost Support

Carerpreneurs Club

£7.50 per month (early bird)

£10.00 per month (standard)

An optional, low-cost membership offering continued access to digital resources, updates, and a supportive online space.

The Club is **self-directed**, can be cancelled at any time, and is not a replacement for one-to-one support.

Suitable for:

Carers who want gentle, ongoing encouragement without pressure or fixed commitments.

One-to-One Support (Zoom)

One-to-one support is **optional, practical, and time-limited**, and is usually most effective when used alongside the digital resources.

Digital + 1:1 Support Bundle

£110 (one-off)

Includes:

- Full Digital Resource Bundle
- **1 × 60-minute Zoom session**
- A clear next-steps summary following the session

Suitable for:

Carers who want personalised guidance to clarify ideas or plan next steps.

Additional 1:1 Zoom Sessions

- **£60 per 60-minute session**
- **£35 per 30-minute check-in**

Sessions focus on practical guidance and confidence-building and are not therapeutic or clinical in nature.

For professionals and councils

Pricing is transparent, time-limited, and designed to be suitable for **carers' direct payments or discretionary support**, subject to local decision-making.

A **one-page professional information sheet (PDF)** is available for referral and signposting purposes.
